St. Bernadette School is requesting a one-time waiver from the FCC for the 2014 Form 471 deadline. This waiver would enable St. Bernadette School to proceed with Form 471 and apply for funding

Explanation:

As technology director I have been filing E-Rate forms successfully for St. Bernadette School for the past 4 years. I thought I filed both Category 1 & 2 forms on March 16th 2018. I became aware today that our category 1 form was not filed. I do not know if it was technical or personal error. I have submitted Form # 181042307 today, April 4th 2018.

Please grant us this one time waiver.

Thank You.
